

The schedule below lists all streets that Hounslow Highways is responsible for cleansing in Hanworth Park ward. The day of the week marked against each street is the day the street is **inspected** by a cleansing operative. If the street is identified as requiring cleansing, the operative will carry out litter picking of the road and sweeping wherever possible.

The schedule is split into two weeks, listed as Week 1 and Week 2, which alternate. To find out which week we are in, please visit the 2018 schedule.

Please also be aware these schedules are subject to change, and operatives are moved around, based on the amount of reactive work, such as the collection of fly-tips, removing cleansing hazards and other ad hoc cleansing work when and if required. Therefore, inspections may not always occur that exact day, but are then re-programmed for the following working day.
